The principal objective of our audit procedures is to enable us to express our opinion, in line with the requirements of the Audit Scotland Code of Audit Practice, on the financial statements as a whole. Our audit opinion does not guarantee that the financial statements are free from misstatement.

Any oral comments made in discussions with you relating to this report are not intended to have any greater significance than explanations of matters contained in the report. Any oral comments that we make do not constitute oral advice unless we confirm any such advice formally in writing.

The matters raised in this and other reports that flow from the audit are only those which have come to our attention arising from or relevant to our audit that we believe need to be brought to your attention. They are not a comprehensive record of all the matters arising, and in particular we cannot be held responsible for reporting all risks at the Lanarkshire Community Justice Authority or all internal control weaknesses. This report has been prepared solely for your use and should not be quoted in whole or in part without our prior written consent. No responsibility to any third party is accepted as the report has not been prepared for, and is not intended for, any other purpose.

1. Introduction

Purpose of this report

- 1.01 This Annual Report is primarily intended to direct your attention to matters of significance that have arisen out of the 2015/16 audit process. The report is not only addressed to officers, but it is also addressed to the Controller of Audit who appoints us as your external auditor.

Scope of the Audit

- 1.02 Our overall responsibility as external auditor of Lanarkshire Community Justice Authority ('the Authority') is to undertake our audit in accordance with International Standards of Auditing (ISAs) and the principles contained in the Code of Audit Practice issued by Audit Scotland in May 2011. The Code of Audit Practice sets out the need for public sector audits to be planned and undertaken from a wider perspective than in the private sector involving not only assurance on the financial statements but also consideration of areas such as regularity, propriety, performance and the use of resources.
- 1.03 Our audit for 2015/16 has been planned and conducted throughout the year to take into account these wider responsibilities and our obligations set out in the Code of Practice.
- 1.04 Under the requirements of the International Standard on Auditing (UK and Ireland) ('ISA') 260: "Communication of audit matters to those charged with governance", we are required to communicate audit matters arising from the audit of the financial statements to those charged with governance of an entity. This Annual Report to Members discharges our requirements under ISA 260, as well as our reporting requirements under the Code.

Acknowledgment

- 1.05 We would like to formally extend our thanks to all South Lanarkshire Council Officers for the assistance they have given us during the audit process.

2. Audit Process and Financial Position

Our Audit Opinion

- 2.01 The Public Finance and Accountability (Scotland) Act 2000 requires that, following the completion of an audit, the auditors shall place on the abstract of accounts a certificate which sets out the basis on which they have formed their audit opinion. Our opinion on the accounts states that the financial statements:
- give a true and fair view in accordance with applicable law and the CIPFA Code of Practice on Local Authority Accounting in the United Kingdom 2015/16 (“the 2015/16 Code”) of the state of the affairs of the Authority as at 31 March 2016 and of its income and expenditure for the year then ended;
 - have been properly prepared in accordance with IFRS as adopted by the European Union, as interpreted and adapted by the 2015/16 Code; and
 - have been prepared in accordance with the requirements of the Management of Offenders etc. (Scotland) Act 2005 and regulations made thereunder by Scottish Ministers.
- 2.02 Our opinion for the year ended 31 March 2016, is **unqualified**.

Audit Process

- 2.03 The financial statements for the Authority have been prepared in accordance with the accounting requirements set out in the 2015/16 Code. All disclosure changes proposed as part of the audit have been adjusted.
- 2.04 The accounts were approved by the Chief Officer for issue on 10 June 2016 and presented to Audit Scotland by 30 June 2016. The financial statements and supporting schedules were presented to us for audit within the agreed timetable. The quality of supporting working papers provided and internal review process undertaken by management were of a good standard. Overall we believe an efficient audit process was achieved and an effective working relationship exists with the South Lanarkshire Council accountancy staff that prepare the financial statements on behalf of the Authority.

Adjustment to the draft Financial Statements

- 2.05 Our audit of the financial statements identified some minor disclosure adjustments which have now been amended by Management in the financial statements.

2.06 Under international auditing standard ('ISA') 260 – “Communication of audit matters to those charged with governance” we are required to report all unadjusted errors identified during the course of our audit to Members of the Authority in their governance role. We are pleased to report that there were no unadjusted misstatements.

Financial Performance for the year ended 31 March 2016

2.07 The Authority's financial performance can be summarised as follows:

	Year ended 31 March 2016 (£'000)	Year ended 31 March 2015 (£'000)
Total expenditure	11,475	11,486
Income	(11,474)	(11,474)
Net cost of services	1	12
Financing and investment expenditure	10	8
Deficit on the provision of services	11	20
Actuarial losses/(gains) on pension liabilities	(119)	94
Total comprehensive expenditure/(income)	(108)	114

2.08 Expenditure for the year was comprised of employee costs, property costs, supplies and services, administration costs, payments to other bodies and financing charges. Income is comprised of revenue grants from central government.

Financial Position for the year ended 31 March 2016

2.09 The general fund balance as at 31 March 2016 is £nil, which is consistent with prior years and the Authority's funding arrangements.

3. Governance and Internal Financial Control

- 3.01 It is part of management's overall responsibility to design and maintain appropriate systems of internal control to provide reasonable assurance that the accounting systems provide timely, accurate and reliable financial information and to safeguard the Authority's assets.
- 3.02 As auditors, we obtain a sufficient understanding of internal controls to plan the audit. The understanding includes knowledge about the design of policies and procedures and whether they have been implemented, but does not necessarily extend to evaluating the operating effectiveness of all such policies and procedures. We would only test those internal controls on which we plan to rely on during our audit and which are required in relation to our Code of Audit Practice responsibilities. Accordingly, an audit would not usually identify all matters of interest to management in discharging its responsibilities.

Key Financial Controls

- 3.03 The Authority utilises the key financial systems in place at South Lanarkshire Council ('the Council'), in particular general ledger, payroll, accounts payable and accounts receivable. Therefore appropriate systems audit work has been undertaken as part of our 2015/16 audit of the Council. During the course of our audit work we noted no exceptions in respect of the Council's financial systems, which are also applicable to the Authority.
- 3.04 We reviewed the reasonableness of the assumptions underlying the estimated net pension liability in the balance sheet in accordance with ISA (UK&I) 540 'Audit of accounting estimates' and consulted with our pension specialists. Overall we are comfortable with the net effect of the assumptions adopted.

Statement on governance and internal control

- 3.05 The financial statements include a statement on governance and internal financial control which has been signed by the Authority's Chief Officer. This statement sets out the financial control arrangements in place for the year and future reviews planned. This statement is in line with the requirements set out in the 2015/16 Code.

4. ISA 260 Communications to Those Charged with Governance
