

# Join us as a Modern Apprentice

If you feel further education is not for you and you would like the opportunity to gain practical work experience, while working towards a qualification and earning a salary, then our apprentice roles may be for you.

We are looking for an Audit and Business Support apprentice, and a Client and Services apprentice. Working with the Business Support team, you will carry out a variety of tasks in the Front of House team and provide administrative support to auditors and leadership group.

Every day brings with it a new opportunity for learning, and with the team embarking on some new projects, it is an exciting time to be joining us.

We understand that this may be your first job. Our friendly team are here to support you every step of the way, together with our training provider who will work with you to complete your business admin qualification.

If you have achieved or are expected to achieve good results in SQA National 4 and 5 qualifications (or equivalent), and are keen to take your first steps into the world of work, then we would love to hear from you.

We're Scotland's public-sector auditor, responsible for ensuring that the Scottish Government and public-sector bodies are held to account for the proper, efficient and effective use of public money.

We employ around 320 exceptional professionals from different backgrounds who believe that public money should be spent wisely.
